

2017-2018 Loan Request Change Form

Name: _____ Student ID#: _____

_____ I previously declined to borrow from the Direct Stafford Loan program but now wish to borrow.

_____ I previously decreased my Direct Stafford Loan but now I wish to borrow the maximum amount.

_____ I previously accepted to borrow from the Direct Stafford Loan program but now wish to decline.

_____ I wish to borrow for Summer 2018.

Loan Type Requested:

_____ **Subsidized**- the federal government pays the interest on the loan while the student is enrolled at least half-time. Student must demonstrate financial need.

_____ **Unsubsidized**- students may borrow this loan without demonstrating need: however, interest accrues from the day the loan is disbursed. Applicants are automatically considered for the most favorable loan and may qualify for a combination of subsidized and/or unsubsidized loans.

Loan Amount Requested: _____ Subsidized _____ Unsubsidized

Requested Loan Term (Circle One): Fall/Spring Fall only Spring only Summer

The amount that you may borrow is determined by your dependency status and financial need as determined by the Free Application for Federal Student Aid (FAFSA). BEWARE of student loan debt and borrow only what you need.

Certifications:

- I understand that at the time of disbursement I must be enrolled for at least six credit hours in an eligible degree program and my courses must be required for completion of my degree.
- I understand that the master promissory note must be signed and the entrance loan counseling completed both at www.studentloans.gov before the loan funds are disbursed from the school. * **Note: Wake Technical Community College must be listed as the school name to process loans.**

I authorize the Accounting Office to credit my funds and deduct any outstanding charges on my account. I understand that this is a loan that must be repaid regardless of whether or not I complete the program or find employment. I have read and understand all instructions.
