- Provide verification of completion of an associates' degree or higher
- Met high school GPA waiver through either Multiple Measures or RISE

SCIENCE: proficiency should be satisfied by completion of any **ONE** of the following:

- High School (one full unit) or College Chemistry course with a minimum grade of "C"
- CHM 090 with a minimum grade of "C"
- Successful completion CheMOOC with passing final exam
- BIO 110 OR BIO 111 OR equivalent completed with a minimum grade of "C"
- Completion of BIO 168 or equivalent completed within 5 years of beginning NUR classes

ENGLISH LANGUAGE PROFICIENCY:

- English Language Requirement Form is completed and attached
- Official TOEFL scores have been submitted to Wake Tech, code 5928, if required

TEAS Scores: A minimum score of 59 is required to submit this application.

Test Date(s): _____ Name of school test was taken: _____

The TEAS must be taken prior to the Nursing (clinical) application deadline. All official TEAS score reports must be submitted by the application deadline. **TEAS scores are valid for 3 years.**

Other Coursework Completed:

Please provide the information below for all completed equivalent courses from Wake Technical Community College and any other institutions you have attended. Please indicate if you are currently enrolled in a course this semester and at what you school you are taking the course.

Please note the following:

- BIO 165 & 166 together will be accepted for the BIO 168 & 169 sequence;
- All BIO classes MUST have an associated lab;
- All BIO classes must be within 5 years of Nursing program entry.
- Effective July 31, 2023, to receive points for BIO 168 and BIO 169, the labs must be seated. Online BIO 168 and BIO 169 classes will not earn points. Points will be awarded for a hybrid class as long as the lab section is seated.

It is not necessary to meet with a Health Sciences staff member prior to submitting your application. Please refer to your handouts that you received at the Nursing Information Session if you have questions.

English Language Proficiency Requirement

All health care workers (native and non-native US English speakers alike) are expected to use clear communication skills in the workplace. Students whose native language is not US English are expected to demonstrate "near native" US English language abilities for both academic success in nursing as well as client safety.

To confirm this ability, all students entering Nursing Program (A45110) are required to meet the English language requirement and submit this English Language Requirement Form with their clinical application.

Please check the ONE that applies: **Please note that an online high school, GED, or high school equivalency does not meet exemption requirements.**

- 1. I have only attended a US high school, and my first language is US English.
- 2. My first language is not US English, but I only attended and graduated from a US high school.
- 3. I completed high school in one of the following countries: Canada (except Quebec), the United Kingdom, Ireland, Australia, New Zealand or the U.S. Territories of Samoa, Guam, Mariana Islands, or the Virgin Islands. The U.S. territory of Puerto Rico is not eligible for exemption.
- 4. I have graduated from an AAS degree in an Allied Health Science program at a US college
- 5. I have graduated from a 4-year US college or university
- 6. I have attended high school outside the United States and my first language is not US English.

If you checked any box 1 through 5, please sign below. You have met the English Language Proficiency requirement. Please turn this form in with your Nursing clinical application.

If you checked number 6, you must meet the English Language Requirement by submitting official TOEFL skills test.

To be considered for admission applicants must meet the following scoring criteria:

I have met the English language proficiency by completing the Internet-based Test of English as a Foreign Language (TOEFL*) with individual section scores as follows:

Skill	Score Range	Requirement	My Score
Reading	0–30	19	
Listening	0–30	19	
Speaking	0–30 score scale	24	
Writing	0–30 score scale	19	

*TOEFL scores must be within 5 years of submitting the Nursing application.

***Wake Technical Community College TOEFL code is 5928**

My official score was sent to Wake Technical Community and I do meet the above requirements. *Meeting the minimum criteria does not guarantee admission into the program.*

I understand that this is an official Wake Technical Community College document and that any falsification on this document may result in disciplinary action according to the Student Code of Conduct. I certify that all information is accurate to the best of my knowledge.
