

Name: _____ Student ID#: _____

The US Department of Education has flagged your FAFSA indicating that you have had an unusual enrollment history while receiving Federal Student Aid. Students who have attended multiple schools and received financial aid in a short period of time may be considered to have an unusual enrollment history. The academic years in review are 2013-14, 2014-15, 2015-16, and 2016-17. This flag requires Wake Tech to review your enrollment history at each institution that you received aid during the outlined period and determine whether or not you earned credit. If no credit was earned, an explanation and documentation are required.

Please follow each step carefully and provide all information requested. Incomplete applications will delay any potential award for the 2017-18 school year.

Step 1: Print your Financial Aid History

Login to www.nsls.ed.gov and print your "Financial Aid Review." You will need your FSA ID and password to login.

Attach the print out to this page.

Step 2: List All Institutions Attended

List all institutions that you attended and received aid below (use the NSLDS print out to complete this). Indicate whether a transcript is already on file with Wake Tech or you have attached a copy to this form. If you are attaching a transcript, we can accept official or unofficial transcripts. Then indicate whether or not you earned credit. Earning credit is defined as passing at least one course (grade of A, B, C, or D).

* If Wake Tech is on your print out, you must list this but a transcript is not needed.

Please attach a typed statement explaining why you did not earn credit at each institution. Attach supporting documentation for each instance.
